THE DIOCESE OF RALEIGH
THE RALEIGH DEANERY

2021-2022 ACADEMIC YEAR

DEANERY PARISH AFFILIATION FORM

Each of the parishes in the Raleigh Deanery supports Catholic Education. All provide Catholic education. In addition, some parishes have parish schools and those without schools may have students that attend local parish schools. In order to foster parity, the pastors of the Raleigh Deanery have agreed to provide a payment of $500.00/student to parish schools that can accommodate students registered in a parish without a school. If a student could be accommodated in their parish school, and the parents elect to send the child to another parish school, the pastor will not sign this form and no payment will be given.

It is expected that Catholic families who seek admission to a Catholic parish school must meet the following criteria that have been agreed upon by all of the pastors of the Raleigh Deanery:

(1) the family is registered in a parish;
(2) the Catholic parent(s), and especially the student seeking approval on this form, attend Sunday Mass weekly and practice stewardship of time, talent and treasure, the latter as evidenced by identifiable financial support.
