5. John Riedy serves on the Parish Finance Council, also served on the Diocese Finance Committee. He was also Chancellor of the Diocese, the first layperson to do so. He is very knowledgeable and experienced and plans to get the activities center built. The committee was appointed by Father Gillespie. The first meeting is Sept. 20, 2007. Next step is to decide what building will look like. There are two sets of plans one from Spreading Our Wings committee, and the other from the latest architects plans. Building design is still ongoing. Email John jriedy@nc.rr.com if you have any ideas, questions, etc...John feels bad that Parish families were not consulted and asked to join in on planning.
