Green Family for Middle School \$40

Family membership for the 2016-17 school year. If you are choosing a Green Family membership and have at least one Middle School student, this is your plan! Shows your support of our program and provides the added benefit of 10% off spirit store apparel purchases.

Green Family for Elementary School \$25

Family membership for the 2016-17 school year. If you are choosing a Green Family membership and ONLY have elementary school students, this is your plan! Shows your support of our program and provides the added benefit of 10% off spirit store apparel purchases.

I agree to membership and payment at the level above. I understand that ABC membership is required for my Middle School student to be eligible for participation in JV and/or Varsity sports (which may require tryouts). I commit myself and my family to volunteering time and talents for athletic activities.

SAINT RAPHAEL CATHOLIC SCHOOL

Athletic Booster Club

2016-2017

The Athletic Booster Club (ABC) was founded in 2002 by a group of dedicated school parents to provide resources (financial, physical, etc.) that would support the growth and development of the SRCS middle school sports, physical education (all grades) classes, K-5 elementary/intramural sports, and middle school club sport teams.

Today, our dedicated parents and volunteers still work to create an environment where athletics are appealing and available to all students as a means of building the whole person in spirit, mind, and body. We recognize that the camaraderie and school spirit built through athletics can build community and long-term support of the school itself. We work to ensure every student – whether active in athletic endeavors or an enthusiastic fan – can benefit from the resources the ABC, school administration, and community partners make possible.

ABC funds come from donations, the Gala, membership dues, our school hot lunch program, and concessions. The \$150 participation fee paid by middle school team members goes directly to the administration/athletic director budget (covering operational expenses associated with team/league participation). We are always open to your generosity and ideas for funding additional needs.

Some of the Ways Your ABC Membership Funds Helped in 2015-16

- \$1000 for PE equipment and software needs (used by entire school)
- Field maintenance
- Athlete uniforms for soccer, baseball, and lacrosse
- Coaches' shirts
- Championship banners
- Financial assistance to offset participation fees for players in need

How Your ABC Membership Funds Will Help in 2016-17 (Planned)

- Funding for enhanced PE program, equipment, activities
- Field house building
- Reel mower for field & overall field maintenance
- New uniforms for JV basketball
- Financial assistance to offset participation fees for players in need
